

Training for international online fairs

Universities and incubators from France, Sweden and Austria build up competence in **presenting their company** at an **international online fair** and get tools for **organizing an international online fair**.

Target groups: Start-ups, companies, universities, provider from online fairs and PR experts

Agenda:

- Lectures with experts from the companies dMAS, HyHyve, MEETYOO, FAIRSNEXT
- Online fair with hands on experience and hints from provider and experts (tips, tools to be more visible at the fair, etc.)

Save the date!

June 14th, 2022

13:00 to 17:00 (CET)

online event
